**Center:** P-51 Mustang/44-74425 was delivered by North American Aircraft to the RAF as #9591 in 1950. It saw service with the RAF and when released was purchased by Intercontinental Airways of Conestoga, New York. Nicknamed "Damn Yankee," this was a P-51D-30NA. It's history in the United States ends with its shipment to new owners in the Netherlands in April of 1994 and is now registered as PH-PSI.
