**Front Cover:** Jim Koenpnick captures John Fallis and his award-winning P-40N Suzy over the coastal islands of Florida. Look for a feature story in an upcoming issue.

**Back Cover:** This 1941 DH 82A Tigermoth wears the same color scheme it did while serving with RAAF No. 6 Squadron in New South Wales, Australia, where it was used to train new recruits how to fly during WWII. Owned, restored, and flown by Leon Whelchel, it now graces the skies of Iowa. Photo by Bonnie Kratz.
